

## 2024 OASD Summer School Information

Parent Information - February 2024

February 22, 2024

Hello Oshkosh Families,

**Mark your calendar!** Starting March 6, families may begin registering their child(ren) for Summer School 2024. Be sure to sign up early because classes do fill up and those that do not have enough students enrolled may be canceled.

- Register for Summer School 2024 through the [Infinite Campus \(IC\) Parent/Student Portal](#).
- Summer School registration will open at 8 a.m. on March 6 and close at 3 p.m. on April 1.
- Due to the high volume of users, the Infinite Campus online course requesting system may be slow when the registration window first opens. Please be patient and allow extra time for the system to process your login and request.

OASD Summer School offers a variety of in-person and virtual classes for students entering kindergarten through high school, including athletic camps, music camps, and eAcademy options. While remedial courses are available, the majority of courses are designed to keep students thinking and exploring during the summer.

Summer School enrollment is FREE and available for all OASD students, students who live within the district boundaries, and students who are open-enrolled in the OASD.

## Summer School 2024 Resources

**Courses:** Detailed information about all course options, including special camps and registration instructions, are available on the [OASD Summer School Webpage](#) in the [Summer School Course Guide](#).

- Reminders for High School Students:
  - If you failed a course that is needed to graduate, a counselor will be in contact with you in the next few weeks; parents you cannot sign up for this under the portal.
  - High School students must attend every session of summer school when a class meets for credit from 8 a.m. until 12:30 p.m. The Department of Public Instruction (DPI) rules state that students must attend class for a minimum number of hours in addition to earning a passing grade in order to receive course credit. High School students are allowed to miss a maximum of one day of instruction to earn credit. (NOTE: EAA Airventure starts on July 22, 2024.)

A summary of important Summer School dates is available in the OASD Summer School 2024 Dates and Details At A Glance section below.
